Body Style:

Printed circuit

Bushing Length:

9.500 millimeters

Body Length:

7.200 millimeters

Body Width:

15.500 millimeters

Body Height:

10.800 millimeters

Maximum Voltage Rating In Volts:

28.0 dc

Inclosure Type:

Fully enclosed

Mounting Method:

Printed circuit

Contact Load Current Rating At Maximum Rated Voltage:

100.000 milliamperes resistive dc

Precious Material And Location:

Contacts gold

Terminal Type And Quantity:

4 pin

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
