Body Style:
Printed circuit
Bushing Length:
9.500 millimeters
Body Length:
7.200 millimeters
Body Width:
15.500 millimeters
Body Height:
10.800 millimeters
Maximum Voltage Rating In Volts:
28.0 dc
Inclosure Type:
Fully enclosed
Mounting Method:
Printed circuit
Contact Load Current Rating At Maximum Rated Voltage:
100.000 milliamperes resistive dc
Precious Material And Location:
Contacts gold
Terminal Type And Quantity:
4 pin
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A053a0
