Overall Diameter:

1.1875 inches

Actuation Method:

Buoyancy

End Application:

4920-01-372-2778test station, radar, aircraft

Float Quantity:

1

Mounting Method:

Thread

Mounting Dimensions:

One 1/8 in npt externally threaded connection

Specification Data:

33654-333580 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
