**Overall Diameter:**

1.1875 inches

**Actuation Method:**

Buoyancy

**End Application:**

4920-01-372-2778test station, radar, aircraft

**Float Quantity:**

1

**Mounting Method:**

Thread

**Mounting Dimensions:**

One 1/8 in npt externally threaded connection

**Specification Data:**

33654-333580 manufacturers specification control

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T109-d
