Operating Temperature Rating:

500.0 degrees fahrenheit

Mounting Method:

Thread

Mounting Position:

Vertical

Contact Arrangement:

Spdt

Special Features:

Specific gravi type 0.82, 0.86 (diesel fuel) and arrangement no. 2 (low level alarm, under the pump control)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
