Pressure Switch Type:

Absolute

Proof Pressure:

600.00 pounds per square inch

Special Features:

Approximate pressure setting range-5 to 300 psi; approximate setting tolerance minus 65 to plus 160 f; dead band range 1 psi; weight 1.5 oz approximately

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
