Overall Height:

2.400 inches

Overall Width:

1.300 inches

Body Diameter:

1.400 inches

End Application:

Panel indicating; p/n ip-2b-ss onboard wagb 420 ft u.S. Coast guard vessels

Operating Temperature Rating:

30.0 degrees fahrenheit and 140.0 degrees fahrenheit

Mounting Method:

Clip

Special Features:

2 pole terminal; sensor element thermostatic bimetal; housing flame retardant plastic; normally closed; contact type 15a ac 120v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
