Body Length:

1.180 inches

End Application:

F-16

Body Depth:

0.090 inches

Special Features:

New design to replace nsn 5930001189605 due to quality problems

Material:

Rubber, synthetic

Material:

Rubber synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
