**Overall Length:**

4.000 inches

**Overall Height:**

0.250 inches

**Overall Width:**

3.000 inches

**Unthreaded Mounting Hole Diameter:**

0.281 inches all mounting facilities

**End Application:**

Seawolf class ssn torpedo tube; level 1/subsafe

**Mounting Facility Type And Quantity:**

4 unthreaded hole all mounting facilities

**Special Features:**

2 holes 1.06 in dia

**Material:**

Nickel alloy

**Material Specification:**

Qq-n-286, form 2, cond al, ah fin a/b federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
