End Application:

Hydraulic tank assembly

Special Features:

Lclass 9025, type bcw33z4-cooling pump switch contacts to close at 130 degrees f during increasing temp of cooling cycle and remain closed to 110 degrees f 110-120 volts ac for starting and stopping a 5 hp electric motor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
