**End Application:**

Hydraulic tank assembly

**Special Features:**

Lclass 9025, type bcw33z4-cooling pump switch contacts to close at 130 degrees f during increasing temp of cooling cycle and remain closed to 110 degrees f 110-120 volts ac for starting and stopping a 5 hp electric motor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
