Overall Length:

4.370 inches

Overall Height:

4.020 inches

Overall Width:

5.130 inches

End Application:

Icas system, electric power generation sys

Special Features:

Temperature transmitter, 4 to 20 ma dc with digital communication hart protocol, refer to gs 1c50t1-e, 1/2 npt fwrnale with digltal indicator, sus304 stainless steel 2-in ch pipe mounting

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
