Thermostatic Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-481-7952

End Application:
Mark 105 moch1 rectifier
Mounting Method:
Bracket
Contact Action Stimulus:
Increase
Nonpile-up Contact Arrangement:
1 pole, single throw, both positions maintained
Terminal Type:
Connector, plug
Contact Load Current Rating:
1.0 amperes inductive load single voltage
Contact Adjustability:
Actuation point adjustable, preset
Contact Voltage Rating In Volts:
115.0 ac at sea level single voltage
Media For Which Designed:
Gas
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A048b0
