**End Application:**

Control operator

**Contact Voltage Rating In Volts:**

600.0 highest ac voltage rating at sea level

**Contact Load Current Rating:**

10.0 amperes resistive load highest ac voltage rating at sea level

**Special Features:**

Type k, 30mm

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A052b0
