Body Style:
Bushing mounted
Maximum Voltage Rating In Volts:
600.0 ac
End Application:
Control operator
Contact Load Current Rating At Maximum Rated Voltage:
10.000 amperes resistive ac
Special Features:
Green knob; three position momentary pull-maintained neutral-momentary push, illuminated
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A053a0
