Overall Length:

1.250 inches

Overall Diameter:

1.750 inches

Unthreaded Mounting Hole Diameter:

0.156 inches single mounting facility

Individual Section Quantity:

1

Switch Contact Basic Design:

Nonpile-up symmetrical

Mounting Method:

Unthreaded hole single mounting facility

Mounting Facility Pattern:

Four position rectangular single mounting facility

Style Designator:

Circular, cam actuated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
