Body Style:

Hole mount

Actuator Color:

Yellow single actuator

Maximum Voltage Rating In Volts:

120.0 ac

End Application:

5895-01-479-9735, satellite communication terminal

Special Features:

Two position, maintained pull/maintained push illuminated; 50/60 hertz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
