**Body Style:**

Hole mount

**Actuator Color:**

Yellow single actuator

**Maximum Voltage Rating In Volts:**

120.0 ac

**End Application:**

5895-01-479-9735, satellite communication terminal

**Special Features:**

Two position, maintained pull/maintained push illuminated; 50/60 hertz

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A053a0
