End Application:

Electrical

Pressure Switch Type:

Differential

Contact Action Stimulus:

Decrease

Contact Voltage Rating In Volts:

25.0 ac at sea level single voltage

Special Features:

Rane 30 in, maximum press 80 psig single pole, single throw

Media For Which Designed:

Semisolid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
