Dc Voltage Rating:

24.0 volts

Specific Equipment Accommodated:

Bilge pump

End Application:

24ft craft

Electrical Connection Type:

Connector receptacle

Internal Battery Accommodation:

Not included

Mounting Method:

Clamp

Mounting Position:

Vertical

Float And Contact Positions:

Float up, contacts closed

Product Name:

Ultra pump switch junior

Special Features:

Automatic bilge pump operation; pump on at 2.500 in. And off at 1.250 in.; can be used with both submersible and non submersible pumps.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T109-d
