Inclosure Material:

Steel, stainless

Average Life Measurement:

Not rated

End Application:

Control integ, tarawa class lha

Basic Shape Style:

Cylindrical

Inclosure Type:

Open

Circuit Construction Type:

Solid state

Special Features:

Switch, high temp shut off

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A32200
