Overall Length:

1.372 inches

Overall Width:

0.912 inches

End Application:

5840-01-450-8126

Model Number:

Y101132

Current Rating:

4.000 amperes

Special Features:

4 tumbler lock, two nickel plated brass key with code number, standard solder lug with hole, standard with nut

Material:

Steel

Precious Material And Location:

Contact silver

Precious Material:

Silver

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
