Overall Height:

1.730 inches

Overall Width:

2.000 inches

End Application:

Mts, electrical

Basic Shape Style:

Rectangular or square

Inclosure Type:

Open

Installation Design:

Mechanical

Circuit Construction Type:

Solid state

Special Features:

Cr104p heavy duty push buttons

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A32200
