Unthreaded Mounting Hole Diameter:

Between 0.125 inches and 0.130 inches

End Application:

2350-01-420-4716

Base Length:

2.188 inches

Mounting Method:

Unthreaded hole

Special Features:

Guard is red color shade III36

Material:

Plastic and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A503g0
