Hazardous Locations/environmental Protection:

Watertight

Individual Section Quantity:

1

End Application:

Dehydrator control panel; w/s seawolf class ssn

Switch Contact Basic Design:

Nonpile-up symmetrical

Features Provided:

Legend plate

Switch Actuator Indexing Position Quantity:

3 single actuator

Product Name:

Selector switch flush mounted

Special Features:

Legend data shore compressor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
