End Application:

Sh-2g seasprite helicopter

Special Features:

Jassembly consists of -017 target lh stock size 0.75 diameter x 0.63 material 4130 stl bar material specification mil-s-18729 and -019 hub stock size 0.75 diameter x 0.63 material 4130 stl bar material specification mil-s-6458 or ams 6415

Supplementary Features:

Target and hub assembly

Fsc Application Data:

Nha kc41150

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-k
