End Application:

Control electronic assembly, p/n hm2106 aboard 47 ft mlb coast guard vessels

Special Features:

Push-button, switch super red led, 200 ma at 50 vdc, dielectric strength 1500v rms at 500 vdc, electric life 500, 000 cycles min. At full load

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
