**End Application:**

Center main c

**Pole Quantity:**

3 single section front

**Contact Voltage Rating In Volts:**

600.0 highest ac voltage rating at sea level

**Contact Load Current Rating:**

16.0 amperes resistive load lowest ac voltage rating at sea level

**Product Name:**

Non-fusible, compact disconnect switch; submitted name: switch, access point

**Special Features:**

Base and din rail mounted switches; terminal lugs - copper wire size no. 18-no. 8

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A052b0
