Rotary Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-516-2063

End Application:
Center main c
Pole Quantity:
3 single section front
Contact Voltage Rating In Volts:
600.0 highest ac voltage rating at sea level
Contact Load Current Rating:
16.0 amperes resistive load lowest ac voltage rating at sea level
Product Name:
Non-fusible, compact disconnect switch; submitted name: switch, access point
Special Features:
Base and din rail mounted switches; terminal lugs - copper wire size no. 18-no. 8
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A052b0
