End Application:

Ship service

Contact Load Current Rating:

25.0 amperes resistive load third voltage

Contact Voltage Rating In Volts:

575.0 ac at sea level seventh voltage

Special Features:

Submitted name: switch, toggle; wet location enclosure type

Media For Which Designed:

Liquid

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
