End Application:

External wall mounted maintenance by-pass switch for the apc silcon bc series 10kw and 15kw ups

Contact Voltage Rating In Volts:

450.000 highest ac voltage rating at sea level

Contact Load Current Rating:

33.3 amperes resistive load highest ac voltage rating at sea level

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
