**End Application:**

Panel assembly, z-con, part number 4405a8100-1

**Special Features:**

Q4mm sensing range, not shielded; supply voltage 5-24vdc; switching frequency 1.5hz; ambient temperature -14 degrees f to +212 degrees f; electrical connection quick disconnect; colloquial item name-inductive proximity sensor

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A048b0
