End Application:

Dual brewer models p300e & p400e

Contact Load Current Rating:

28.0 amperes resistive load first voltage

Contact Voltage Rating In Volts:

440.0 ac at sea level first voltage

Special Features:

Manufacture name: thermostat; used on a coffee maker

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
