**Overall Length:**

2.260 inches

**Overall Height:**

0.870 inches

**End Application:**

USED-ON-THE-M157

**Mounting Method:**

Square holes

**Product Name:**

Handle body

**Special Features:**

This is the optional handle body item 5, per specification mil-dtl-15743/17; colors vary, used in different applications: see mil-dtl-15743/17, page 12.

**Material:**

Copper alloy handle

**Style Designator:**

Lever

**Specification Data:**

81349 - mil-dtl-15743/17 government standard

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A250a0
