Flow Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5930-01-524-7940

Overall Height:

18.090 inches

Mounting Method:

Base

Contact Action Stimulus:
Increase

Contact Voltage Rating In Volts:

120.0 ac at sea level single voltage

Special Features:

10 amp dpdt relay: factory calibrated for sprinkler systems to detect flow of 10 gpm with 10-second delay time. Other claibrations available.

Frequency In Hertz:

60.0 single voltage

Style Designator:

Cylindrical w/flange

Demilitarization:

Unit Of Measure:

Shelf Life:

No

N/a

Fiig:

A048b0
