Overall Length:

2.000 inches

Overall Height:

1.250 inches

Overall Width:

1.188 inches

Unthreaded Mounting Hole Diameter:

0.516 inches

End Application:

Electrical interface

Mounting Method:

Unthreaded hole

Special Features:

Next assembly: p/n 45846201; manufactures name: guard, circuit breaker

Material:

Aluminum alloy

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503g0
