**End Application:**

Continuous compressed ice maker wcc-500

**Basic Shape Style:**

Rectangular or square

**Inclosure Type:**

Open

**Installation Design:**

Module

**Circuit Construction Type:**

Solid state

**Product Name:**

Bin control

**Special Features:**

Includes a cable assembly which has a sensor probe at the end.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A32200
