Individual Section Quantity:

3

End Application:

An/frt-31, transmitting set, radio

Mounting Method:

Threaded hole single mounting facility

Contact Voltage Rating In Volts:

600.0 ac at sea level

Switch Actuator Indexing Position Quantity:

3 single actuator

Terminal Type:

Screw

Contact Load Current Rating:

30.0 amperes resistive load ac at sea level

Product Name:

Circuit breaker/pistol grip handle

Special Features:

Code (19c-3b33). Decks 1 and 3 are make-before-break. Depth behind panel - 4.7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A052b0
