Body Style:

Bushing mounted

Illuminated Actuator Color:

Green single actuator

Maximum Voltage Rating In Volts:

480.0 ac

End Application:

Cabinet assembly nssn-rss

Inclosure Type:

Fully enclosed

Mounting Method:

Panel

Product Name:

Push switch

Special Features:

Plastic dome which is green in color

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A053a0
