End Application:

Controller, whip hoist f047333

Contact Voltage Rating In Volts:

600.0 highest ac voltage rating at sea level

Contact Load Current Rating:

25.0 amperes resistive load highest ac voltage rating at sea level

Product Name:

Base mounted rotary switch r-, w-frame with brass collar

Special Features:

Rotary disconnect switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
