Overall Length:

13.000 inches

Overall Height:

1.750 inches

Overall Width:

8.000 inches

Operating Temperature Range:

+0.0/+40.0 degrees celsius

Average Life Measurement:

Not rated

Basic Shape Style:

Rectangular or square

Inclosure Type:

Encased

Installation Design:

Rack

Product Name:

Tunmanaged 10/100mbps fast ethernet switch

Special Features:

100fx interface connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A32200
