**Overall Length:**

13.000 inches

**Overall Height:**

1.750 inches

**Overall Width:**

8.000 inches

**Operating Temperature Range:**

+0.0/+40.0 degrees celsius

**Average Life Measurement:**

Not rated

**Basic Shape Style:**

Rectangular or square

**Inclosure Type:**

Encased

**Installation Design:**

Rack

**Product Name:**

Tunmanaged 10/100mbps fast ethernet switch

**Special Features:**

100fx interface connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A32200
