**End Application:**

Nuclear power plants

**Contact Voltage Rating In Volts:**

500.0 highest ac voltage rating at sea level

**Contact Load Current Rating:**

5.0 amperes resistive load highest ac voltage rating at sea level

**Product Name:**

Rotary switch

**Special Features:**

90 degrees snap action; 30 in. Pounds stop strength; circuit: 9; poles: 19

**Style Designator:**

Circular, cam actuated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A052b0
