End Application:

Nuclear power plants

Contact Voltage Rating In Volts:

500.0 highest ac voltage rating at sea level

Contact Load Current Rating:

5.0 amperes resistive load highest ac voltage rating at sea level

Product Name:

Rotary switch

Special Features:

90 degrees snap action; 30 in. Pounds stop strength; circuit: 9; poles: 19

Style Designator:

Circular, cam actuated

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A052b0
