End Application:
Nuclear power plants
Contact Voltage Rating In Volts:
500.0 highest ac voltage rating at sea level
Contact Load Current Rating:
5.0 amperes resistive load highest ac voltage rating at sea level
Product Name:
Rotary switch
Special Features:
90 degrees snap action; 30 in. Pounds stop strength; circuit: 9; poles: 19
Style Designator:
Circular, cam actuated
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
