**Overall Height:**

0.719 inches

**Dome Height:**

0.438 inches

**Width Across Flats:**

0.625 inches

**Mounting Method:**

Thread

**Opening Inside Diameter:**

0.422 inches

**Material:**

Rubber silicone insulator

**Material Specification:**

Qq-n-281 federal specification single material response body

**Style Designator:**

Closed end

**Specification Data:**

81349 - mil-dtl-5423/7 government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A02000
