Overall Height:

0.719 inches

Dome Height:

0.438 inches

Width Across Flats:

0.625 inches

Mounting Method:

Thread

Opening Inside Diameter:

0.422 inches

Material:

Rubber silicone insulator

Material Specification:

Qq-n-281 federal specification single material response body

Style Designator:

Closed end

Specification Data:

81349 - mil-dtl-5423/7 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A02000
