End Application:

Misc parts auxiliary system lhd0008

Pressure Switch Type:

Differential

Special Features:

20" hg vac to 80 psig; circuit: double pole/single throw 2 no/2 nc; action: cut in low with close differential: connection: 7-16/20 str thrd female

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A048b0
