End Application:

Nuclear power plants

Product Name:

Switch indicator

Special Features:

Manufacture name: switch indicator 2 no alternate; next higher assembly: panel assembly, pushbutton - pl-ma388083 item 12; material will be iaw navicp activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A053a0
