Overall Length:

5.063 inches

Overall Height:

1.500 inches

Overall Width:

1.500 inches

Body Length:

4.563 inches

Terminal Type:

Threaded hole

Product Name:

Leverless limit switch

Special Features:

Long range; square body of stainless steel; csa certified general purpose; 72 inch 18 gauge lead wires; spdt; extended sensing - 0.563 inch side sensing; outlet position is on same side as sensing area; withstands physical abuse, moisture, and corrosives

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A048b0
